

CERTIFICATE COURSE IN ADVANCED BIOINFORMATICS

This course is aimed at developing skilled individuals for working in the area of Bioinformatics. As the field of genomics is growing with advanced technology the need to analyse this data is exponentially increasing. The participants are expected to be able to do basic bioinformatics analysis using large data sets.

Salient features of the course

- Address the skill gaps in the field of molecular biology and bioinformatics.
- Generation of employment.
- Generation of awareness in the area of genomics and use in enhancing crop productivity.
- Help in self-employment and giving impetus to entrepreneurs.

Title of course	Certificate Course In Advanced Bioinformatics
Duration	200 hrs
Number of seats	10-25
Educational qualification	B.Sc., B.Tech., B.V.Sc. with knowledge of basic computer programming
Age group	20-35 years
Course fees	Rs. 5,000 (Rs. 20,000 for industry sponsored)
Venue of course	CSIR- National Botanical Research Institute, Lucknow
Name of Scientist	Dr. Mehar Hasan Asif
e-mail	mh.asif@nbri.res.in
Contact detail	0522-2297914
Residential/Non-residential	Non-residential

CERTIFICATION

Certificate will be issued to the successful candidates by the institute under CSIR Integrated Skill Initiative.
