

Post Code : S-01 Area : Ecology & Environment
Post : Principal Scientist / Senior Principal Scientist

A total of **105** applications were received and examined with regard to all stipulated terms & conditions of the advertisement including advertised essential educational qualifications, desirable qualifications, job requirements and age. Since the number of applications was large, the Committee adopted the following criteria for recommending the candidates to be called for **Interview**.

Criteria:

Besides meeting the essential qualifications as mentioned in the advertisement, candidates should possess the following:

For Principal Scientist:

1. At least 5 original research papers in SCI Journal as FIRST /CORRESPONDING author or at least one original research publication in SCI journal with Impact Factor 10 and above in the area of research referred in the advertisement.
2. Demonstrated evidence of having coordinated or participated in major programme such as Environmental Impact Assessment or Environmental Remediation or Environmental Management or Patent granted or Product/technology developed in the area of research referred in the advertisement.

For Senior Principal Scientist:

1. At least 5 original research papers in SCI Journal as FIRST /CORRESPONDING author or at least one original research publication in SCI journal with Impact Factor 10 and above in the area of research referred in the advertisement.
2. Demonstrated evidence of being Principal Investigator in a Research Project or having successfully guided at least one Ph.D. Student in the area of research referred in the advertisement.
3. Demonstrated evidence of having coordinated or participated in major programme such as Environmental Impact Assessment or Environmental Remediation or Environmental Management or Patent granted or Product/technology developed in the area of research referred in the advertisement.

The Committee did not recommend:-

1. Candidates not fulfilling the above mentioned criteria.
2. Incomplete applications or applications containing information not supported with certificates/documents.
3. Applications with those subjects/areas that were not published in advertisement and those which lacked requisite experience in the relevant field/area.
4. Over-aged candidates.
5. **Ten (10)** applications received after the closing date of receipt of applications.

On the basis of aforesaid screening criteria, the Committee recommends that the following candidates, who fulfill the adopted criteria, are to be called for interview:

Sl. No.	Application No.	Name of Candidate(s)	Shortlisted for interview for
1	04	Rajesh Bajpai	Principal Scientist
2	12	Kamlesh Kumar Tiwari	Principal Scientist
3	14	Dharmendra Kumar Gupta	Sr. Principal Scientist

In addition, Applicant No. 35 (Mr. Himanshu Dwivedi) in the Brief Synopsis/Evaluation Chart of Post Code S-03 is also called for interview as his application has been endorsed by his employer. NOC to be produced at the time of interview.

Post Code : S-04 Area : Biodiversity
Post : Scientist / Senior Scientist

A total of 265 applications were received and examined with regard to all stipulated terms and conditions of the advertisement including advertised essential educational qualifications, desirable qualifications, job requirements and age. Since the number of applications was large, the Committee adopted the following criteria for recommending the candidates to be called for Interview.

Criteria :

Besides meeting the minimum eligibility criteria as mentioned in the advertisement, candidates should possess at least one of the following :

For Scientist:-

- I. At least 03 original research publications as FIRST /CORRESPONDING author in SCI Journals in the area of research referred in the advertisement.
- II. Demonstrated evidence of having coordinated or participated in major programme such as Plant Diversity Assessment or Bioprospection or Plant Conservation or Mapping of Plant Diversity or Plant Database Development or Taxonomic monograph or patent granted or product/technology developed in the area of research referred in the advertisement.
- III. At least one original research publication in SCI journal with Impact Factor 10 and above.

For Senior Scientist:-

- I. At least 05 original research publications as FIRST /CORRESPONDING author in SCI Journals in the area of research referred in the advertisement.
- II. Demonstrated evidence of having coordinated or participated in major programme such as Plant Diversity Assessment or Bioprospection or Plant Conservation or Mapping of Plant Diversity or Plant Database Development or Taxonomic monograph or patent granted or product/technology developed in the area of research referred in the advertisement.
- III. At least one original research publication in SCI journal with Impact Factor 10 and above.

The Committee did not recommend:-

1. Candidates not fulfilling the above mentioned criteria.
2. Incomplete applications or applications containing information not supported with certificates/documents.
3. Applications with those subjects/areas that were not published in advertisement and those which lacked requisite experience in the relevant field/area.
4. Over-aged candidates.
5. Seventeen(17) applications received after the closing date of receipt of applications

On the basis of aforesaid screening criteria, the Committee recommends that the following candidates, who fulfill the adopted criteria, are to be called for interview:-

Sl. No.	Application No.	Name of Candidate(s)	Shortlisted for interview for
1	05	Ravi Kant Chaturvedi	Sr. Scientist
