Office Memorandum

Subject: Guidelines for conducting written examination for Persons with Benchmark Disabilities

The undersigned is directed to say that this Department had issued the guidelines for conducting written examination for persons with disabilities defined in terms of erstwhile Persons with Disabilities (Equal Opportunities, Protection for Rights and Full Participation) Act, 1995 vide OM No. 16-110/2003-DD.III dated 26/02/2013. The Department had constituted a Committee under the Chairmanship of Secretary, DEPwD in March, 2015 to review the said guidelines based on the issues raised by Union Public Service Commission and others. Meanwhile the Central Government enacted the Rights of Persons with Disabilities Act, 2016 (RPwD Act, 2016) which came into force from 19.04.2017. The Act provides for reservation in Government jobs for persons with benchmark disabilities as defined under section 2 (r) of the said Act.

Based on the findings of the Committee, the Central Government hereby lays down the revised guidelines for conducting written examination for persons with benchmark disabilities in supersession of the earlier guidelines issued vide OM No. 16-110/2003-DD.III dated 26/02/2013 as under:

- I. These guidelines may be called as "Guidelines for conducting written examination for persons with benchmark disabilities 2018".
- II. There should be a uniform and comprehensive policy across the country for persons with benchmark disabilities for written examination taking into account improvement in technology and new avenues opened to the persons with benchmark disabilities providing a level playing field. Policy should also have flexibility to accommodate the specific needs on case-to-case basis.
- III. There is no need for fixing separate criteria for regular and competitive examinations.

IV. The facility of Scribe/Reader/Lab Assistant should be allowed to any person with benchmark disability as defined under section 2(r) of the RPwD Act, 2016 and has limitation in writing including that of speed if so desired by him/her.

In case of persons with benchmark disabilities in the category of blindness, locomotor disability (both arm affected-BA) and cerebral palsy, the facility of scribe/reader/lab assistant shall be given, if so desired by the person.

In case of other category of persons with benchmark disabilities, the provision of scribe/reader/lab assistant can be allowed on production of a certificate to the effect that the person concerned has physical limitation to write, and scribe is essential to write examination on his behalf, from the Chief Medical Officer/Civil Surgeon/Medical Superintendent of a Government health care institution as per proforma at APPENDIX-I.

V. The candidate should have the discretion of opting for his own scribe/reader/lab assistant or request the Examination Body for the same. The examining body may also identify the scribe/reader/lab assistant to make panels at the District/Division/ State level as per the requirements of the examination. In such instances the candidates should be allowed to meet the scribe two days before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.

VI. In case the examining body provides the scribe/reader/lab assistant, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe/reader should always be matriculate or above.

In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The persons with benchmark disabilities opting for own scribe/reader should submit details of the own scribe as per proforma at APPENDIX-II

VII. There should also be flexibility in accommodating any change in scribe/reader/lab assistant in case of emergency. The candidates should also be allowed to take more than one scribe/reader for writing different papers especially for languages. However, there can be only one scribe per subject.

VIII. Persons with benchmark disabilities should be given, as far as possible, the option of choosing the mode for taking the examinations i.e. in Braille or in the computer or in large print or even by recording the answers as the examining bodies

can easily make use of technology to convert question paper in large prints, e-text, or Braille and can also convert Braille text in English or regional languages.

IX. In case, the persons with benchmark disabilities are allowed to take examination on computer system, they should be allowed to check the computer system one day in advance so that the problems, if any in the software/system could be rectified. Use of own computer/laptop should not be allowed for taking examination. However, enabling accessories for the computer based examinations such as keyboard, customized mouse etc should be allowed.

X. The procedure of availing the facility of scribe should be simplified and the necessary details should be recorded at the time of filling up of the forms. Thereafter, the examining body should ensure availability of question papers in the format opted by the candidate as well as suitable seating arrangement for giving examination.

XI. The disability certificate issued by the competent medical authority at any place should be accepted across the country.

XII. The word "extra time or additional time" that is being currently used should be changed to "compensatory time" and the same should not be less than 20 minutes per hour of examination for persons who are allowed use of scribe/reader/lab assistant. All the candidates with benchmark disability not availing the facility of scribe may be allowed additional time of minimum of one hour for examination of 3 hours duration. In case the duration of the examination is less than an hour, then the duration of additional time should be allowed on pro-rata basis. Additional time should not be less than 5 minutes and should be in the multiple of 5.

XIII. The candidates should be allowed to use assistive devices like talking calculator (in cases where calculators are allowed for giving exams), tailor frame, Braille slate, abacus, geometry kit, Braille measuring tape and augmentative communication devices like communication chart and electronic devices.

XIV. Proper seating arrangement (preferably on the ground floor) should be made prior to the commencement of examination to avoid confusion or distraction during the day of the exam. The time of giving the question papers should be marked accurately and timely supply of supplementary papers should be ensured.

XV. As far as possible, the examining body should also provide reading material in Braille or E-Text or on computers having suitable screen reading software for open book examination. Similarly online examination should be in accessible format i.e. websites, question papers and all other study material should be accessible as per the international standards laid down in this regard.

XVI. Alternative objective questions in lieu of descriptive questions should be provided for Hearing-Impaired persons, in addition to the existing policy of giving alternative questions in lieu of questions requiring visual inputs, for persons with Visual Impairment.

XVII. As far as possible the examination for persons with disabilities should be held at the ground floor. The examination centres should be accessible for persons with disabilities.

2. It is requested to ensure that the above guidelines are scrupulously followed while conducting examination for persons with benchmark disabilities. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Department may be advised appropriately to ensure compliance of implementing these guidelines. Action taken in this regard may be intimated to this office.

3. The above guidelines are issued with the approval of Hon'ble Minister (Social Justice & Empowerment).

Pt. Deendayal Antyodaya Bhawan,

Dated: the 10th August, 2022

Office Memorandum

Subject: Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing

The undersigned is directed to say that this Department has issued guidelines for conducting written examination for persons with benchmark disabilities (i.e. with 40% or more disability, for whom the benefit of reservation in Government posts are allowed) on 29.08.2018 and corrigendum dated 08.02.2019 which inter-alia, provides for grant of scribe and compensatory time. Hon'ble Supreme Court in its order dated 11.02.2021 in the matter of Shri Vikash Kumar Vs UPSC and others has directed this Department to frame proper guidelines which would regulate and facilitate the grant of a facility of a scribe to persons with disability within the meaning of Section 2 (s) of the RPwD Act, 2016, where the nature of disability operates to impose a barrier to the candidate writing an examination. These guidelines should also prescribe appropriate norms to ensure that condition of the candidate is duly certified by such competent medical authority as may be prescribed so as to ensure that only genuine candidates in need of the facility are able to avail it.

2. Keeping in view the above order of the Hon'ble Supreme Court, an Expert Committee was constituted to consider the issue and suggest guidelines accordingly. The Committee noted that there are various types of clinical problems that can affect the writing capacity. After careful consideration of the matter, the Committee recommended that sole criteria for grant of scribe and compensatory time should be based on assessment of the capability of a person to write.

3. The Committee accordingly recommended the following guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing: -

(a) These guidelines may be called as Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.

(b) The facility of scribe and/or compensatory time shall be granted solely to those having difficulty in writing subject to production of a certificate to the effect that person concerned has limitation to write and that scribe is essential to write examination on his/her behalf from the competent medical authority of a Government healthcare institution as per proforma at **Appendix-I**.

(c) The medical authority for the purpose of certification as mentioned in point (b) above should be a multi-member authority comprising the following:-

- i. Chief Medical officer/Civil Surgeon/Chief District Medical Officer.....Chairperson
- ii. Orthopaedic/PMR specialist
- iii. Neurologist, if available*
- iv. Clinical Psychologist/Rehabilitation Psychologist/ Psychiatrist/Special Educator
- v. Occupational therapist, if available*
- vi. Any other expert based on the condition of the candidate as may be nominated by the Chairperson.

(* the Chief Medical Officer/Civil Surgeon/Chief District Medical Officer may make full efforts for inclusion of neurologists, occupational therapist from the nearest District or the Medical College/Institute, if the same is not available in the District)"

(d) The candidate should have the discretion of opting for his own scribe or request the Examination Body for the same. The examination body may also identify the scribe to make panels at the District/Division/State level as per the requirements of the examination. In later instances the candidates should be allowed to meet the scribe two days before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.

(e) In case the examination body provides the scribe, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe should always be matriculate or above.

In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The person opting for own scribe should submit details of the own scribe as per proforma at **Appendix-II**.

(f) There should also be flexibility in accommodating any change in scribe in case of emergency. The candidates should also be allowed to take different scribe for writing different papers especially for languages. However, there can be only one scribe per subject.

(g) The candidate should be allowed to use aids and assistive devices such as prosthetics & orthotics, hearing aid as mentioned in para 2 of the certificate issued by medical authority as per Appendix I.

(h) Compensatory time not less than 20 minutes per hour of the examination should be allowed for persons who are eligible for getting scribe. In case the duration of the

examination is less than an hour, then the duration of the compensatory time should be allowed on pro-rata basis. Compensatory time should not be less than 5 minutes and should be in the multiple of 5.

(i) The examination bodies shall modify their application forms to incorporate specific needs of this category of persons. In case, any incident has been reported after filling up the form, the examination bodies shall inform the candidates to obtain medical certificate as per these guidelines for facilitating grant of scribe and/or compensatory time.

(j) As far as possible the examination for such persons may be held at ground floor. The examination centres should be accessible for persons with disabilities.

(k) These guidelines are applicable to written examinations conducted by central recruitment agencies as well as academic institutions. The States/UTs may adopt these guidelines or issue similar guidelines to maintain uniformity.

(l) These guidelines are independent of the Guidelines for conducting written examination for persons with benchmark disabilities issued by the Department of Empowerment of Persons with Disabilities on 29.08.2018.

(m) The examining bodies shall ensure strict vigilance to check misuse of facility of scribe.

4. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Department may be advised appropriately to ensure compliance of implementing these guidelines.

5. The above guidelines are issued with the approval of Hon'ble Minister (Social Justice & Empowerment).
